PROFILE

Passionate about **Programming** and **Cybersecurity**, I'm a versatile freelancer with experience in :

- Mobile applications
- Pentesting
- API
- Software development
- Website design
- Embedded systems

At ease in dynamic environments, I'm good at problem solving and creativity, leveraging my skills to effectively meet challenges. In addition, having experience as an IT trainer, I enjoy sharing my knowledge to foster growth in this field.

EMPLOYMENT HISTORY

Developer Trainer , M2I Formation & INCO.org

France

Jan 2023 — Present

- Designed and developed customized training courses for 21 different courses, using innovative pedagogical tools and methodologies. (Ex : CSS, Java, C#, AWS, Cybersecurity...)
- Identified customers' training needs and learning objectives.
- Created engaging and interactive training materials, including presentations, exercises and assessments.
- Facilitated face-to-face and distance learning courses, adapting my teaching style to different audiences.
- Evaluated training effectiveness and made continuous improvements.
